

**CANDIDATE FOR GOVERNING BOARD MEMBER
FONTANA UNIFIED SCHOOL DISTRICT**

NAME: EMORY B. JAMES

AGE: 54

OCCUPATION: Local Church Pastor

I will not tell the public that I can fix all of the wrongs, however, as a board member I will keep my finger on the educational pulse of this community to insure that the public's concerns are addressed at board meetings.

- Resided in Fontana 28 years, educated two children, I've taught in the system I know Fontana Schools better than most.
- I supported the bond issue because we need new schools.
- I support a more viable vocational education program, that readies students for today's industry.
- I will work to develop a system that helps the parents to help their children to learn. And Create tutorial programs that are fostered through the faith based community, thereby, reducing latched key mischief.

I will Encourage culturally sensitive ethnic programming, so as to reduce racial tensions on our campuses.

I welcome working with development, and city government to foster partnerships in quality school development.

When elected I will work diligently to insure that as a board member I never forget, "It's all about the Kids"
